economically reasonable to use this option. Reservations are made on a first-come, first served basis. For details, please use contacts below. This year we plan to collect the open positions available in Colombian and Latinoamerican Universities (members and partners of Colombian Optical network: SRCO) and to announce them to the students and Investigators. Moreover, we plan to collect the applications from students and Investigators to fulfill the needs of the industry. We are very looking forward to continuing making this event as a platform for a fruitful collaboration!

Venue

The XVI ENO-VII CANCOA 2019 will take place in Monteria in the campus of Cordoba University, thi institution was originally created (Law 103 de 1962). the flat territory (average temperature of 27 degrees), near the sea and its beautiful landscapes, as well as the welcoming of its people make this university a space to share research in optics and its applications. Known for its multifunctional spaces, the buildings in the campus continues to function as a meeting place: in addition to being used for the university's own events, its facilities are also open to the public. The variated vegetation and surrounding forest have inspired the academic investigation, folcloric music and handicrafts, which's are a Colombian cultural gem.

Córdoba University; Monteria Campus

Opening hours

Mon – Fri: 7:45-18:30 Sat: 8:30-16:30 Sun: Closed
